D. List of network pharmacies

This part of the Directory provides a list of pharmacies in MeridianComplete's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside Barry, Berrien, Branch, Calhoun, Cass, Kalamazoo, Macomb, St. Joseph, Van Buren, or Wayne in which you live. You may also fill your prescriptions at these pharmacies. Please contact MeridianComplete at 1-855-323-4578 (TTY users should call 711), 8 a.m. to 8 p.m., seven days a week, on weekends and on state or federal holidays, you may be asked to leave a message. Your call will be returned within the next business day, for additional information

- MeridianComplete members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.
    - If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
    - Read the MeridianComplete *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about MeridianComplete network pharmacies in your area, please visit our web site at **mmp.mimeridian.com** or call Member Services at **1-855-323-4578** (TTY users should call **711**), 8 a.m. to 8 p.m., seven days a week. On weekends and on state or federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and MeridianComplete's *List of Covered Drugs*. To access our online *List of Covered Drugs* visit **mmp.mimeridian.com**. If you would like a *List of Covered Drugs* mailed to you, you may call **1-855-323-4578** (TTY users should call **711**) and request one. You can also request one at the website link provided above, or email **MeridianMedicare@mhplan.com**. If you have any questions about covered drugs please call Member Services.

D1. How to identify pharmacies in MeridianComplete's network

Along with retail and chain pharmacies, your plan's network of pharmacies includes:

- Mail order pharmacies send covered prescription drugs to members through the mail or shipping companies.

- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies
- Specialty pharmacies provide members with drugs used to treat complex or rare chronic conditions such as cancer, rheumatoid arthritis, hemophilia, and H.I.V.
- Network pharmacies outside of Barry, Berrien, Branch, Calhoun, Cass, Kalamazoo, Macomb, St. Joseph, Van Buren, Wayne

You are not required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail Order Programs.** We offer a mail order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. **A 90-day supply has the same copay as a one-month supply.**

E. MeridianComplete's Network Pharmacies

This pharmacy directory is organized by pharmacy type, county, and city. Look for the type of pharmacy first(for example, retail, mail order, home infusion, etc.), then look for your county and city to find a pharmacy close to your home. You can also visit the website at **mmp.mimeridian.com** for the most current pharmacy listing. You can go to any of the pharmacies in our network.

If you have questions, please call MeridianComplete at **1-855-323-4578** (TTY users should call **711**), **8 a.m. to 8 p.m., seven days a week**. On weekends and on state or federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free. **For more information**, visit **mmp.mimeridian.com**.

E2. Mail order pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program. If the mail order pharmacy gets a prescription directly from a prescriber, they will call you first to confirm you want the drug(s). Please make sure to let the pharmacy know the best way to contact you.

You also have the choice to sign up for automated mail order delivery. Typically, you should expect to get your prescription drugs within 10 days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 1-855-323-4578 (TTY users should call 711). Or call your mail order pharmacy, CVS Caremark at 1-866-808-7471, TTY: 711, 24 hours a day, seven days a week. To learn more about mail order pharmacies, refer to Chapter 5 of the Member Handbook.

E3. Home infusion pharmacies
