

Dear Providers,

As Meridian and Centene continue to integrate, the goal is to streamline processes and promote consistency across the enterprise. One of the processes impacted are delivery authorizations. This overview will support our provider partners with the knowledge to successfully submit delivery authorizations for Meridian members.

Delivery Authorization Submission Options:

- **Meridian Online Prior Authorization (PA)**
 - Authorization form is located on our website at www.mhplan.com
 - Scroll to Provider Tools and select "Prior Auth Form"

- When completing the Online PA Form select "Elective Admission – Scheduled Delivery" or "Emergent Admission - Delivery" based upon if delivery is scheduled from the Service Type dropdown. Meridian asks that providers submit the delivery date/baby's date of birth at the time of submission, if known
